Kidney Kar Program
Benefitting the Mississippi Kidney Foundation

Thank you for your support of the Mississippi Kidney Foundation's Car Contribution Program. Your gift will help in the fight against kidney disease. Donating your vehicle to the Mississippi Kidney Foundation is a simple process.

1. Return Paperwork:

- Complete the donor information sheet (enclosed)
- Sign the original title (sign your name on the back, in the space provided for the "seller" or "transferor" under the "Assignment of Title by Registered Owner" section.)
- The name on the front of the title must be the same as the name of the donor.

2. Free Towing in the Hinds, Rankin and Madison County area.

- After we receive your signed title, we will arrange for free towing. In most cases, the vehicle can be picked up within several days, but occasionally, it may take longer. The vehicle **MUST** be located on the street, in a driveway or in a location where the tow truck can **EASILY** reach it for hook up. (Please removed the license plate and all personal articles before pick-up.)

Effective January 2015, the tax laws concerning vehicle donation changed. In an effort to try to explain these changes as simply as possible we have compiled the following information:

\$500 or less

- **If the donor claims a tax deduction of \$500 or less, the Kidney Foundation will furnish the donor with a letter acknowledging the donation.**

\$500 or greater

- **If the donor intends to claim a tax deduction of \$501 or greater, the Kidney Foundation will provide the donor with the "gross sale price" after the vehicle is sold at auction. That "gross sale price" is the amount of the deduction that the donor is allowed to claim. Additionally, for tax purposes, the donor must provide the Mississippi Kidney Foundation with his/her social security number.**

Note: Typically, the sale prices at auction are less than that of private party transactions. This is due to supply and demand and other factors.

For additional information, we suggest that you contact your tax advisor.
