

MICHAEL RUBENSTEIN MEMORIAL KIDNEY WALK

We are excited to invite you to be a part of an incredible event that will make a lasting impact on the lives of those affected by kidney disease. The Mississippi Kidney Foundation's Kidney Walk is just around the corner, and we need your support to make it a resounding success!

By becoming a sponsor, you will join us in raising awareness about kidney disease, supporting vital research, and providing crucial assistance to individuals and families affected by this chronic condition. Together, we can make a difference and bring hope to those who need it the most.

Our sponsorship packages offer a range of benefits, allowing you to showcase your commitment to the community while gaining exposure for your brand. Whether you're a local business, organization, or individual, there's a sponsorship opportunity that fits your unique goals and budget.

As a sponsor, you will receive prominent recognition, including recognition on social networks and our website and various promotional materials. You'll also have the opportunity to engage with participants who share your passion for supporting worthy causes.

Join us on Saturday, October 21, starting at 9:00 AM at Tougaloo College as we unite to raise funds and celebrate the resilience of individuals living with kidney disease. Your support will help us provide life-saving services, education, and resources to those in need.
